

How To Find Your Parcel Number

McDowell County Building
Inspections

Google McDowell County GIS or go to <https://www.webgis.net/nc/McDowell/>
Click Accept on the disclaimer. If you cannot see the accept button, shrink the browser, and it will expose it.

Click where it says parcel search and change it to Address Search.

The screenshot shows a web browser window at webgis.net/nc/McDowell/. The page features a navigation menu with 'About', 'Layers', and 'Legend'. The main content area includes the McDowell County logo and a 'Geographic Information System' title. A 'DISCLAIMER' section is present, followed by contact information for the Land Records, Mapping Department, and WebGIS Support. A search interface is overlaid on the map, with a red box highlighting the search options. The 'Address Search' option is selected and highlighted in blue. Two green arrows point to the 'Address Search' and 'Parcel Search' options. The map shows the county boundary in black, with surrounding counties labeled: Mitchell, Avery, Buncombe, and Rutherford. A scale bar indicates 6 miles. The coordinates are N: 755372, E: 1035120, Lat: 35°46' 55.3", Lng: -82°15' 13.4".

Enter the address of your project and choose submit.

The screenshot shows the webgis.net/nc/McDowell/ interface. On the left, there is a sidebar with the McDowell County logo and the text "McDowell County, NC Geographic Information System". Below this is a disclaimer and contact information. The main area features a map of McDowell County with a search box overlaid. The search box contains the text "408 Spaulding Road" and a green arrow points to the "Submit" button. The map shows the county boundary in black and a network of blue lines representing water features. The browser address bar shows "webgis.net/nc/McDowell/" and the page title is "McDowell County, NC Geographic Information System".

Click on the bar that pops up across the bottom.

The screenshot shows a web browser at the URL `webgis.net/nc/McDowell/`. The main map area displays a satellite view of a region with county labels: Mitchell, Avery, and Caldwell. A search bar is overlaid on the map, containing the text "408 Spaulding Road". Below the search bar, there are buttons for "Submit" and "Reset", and links for "Help for Search" and "Advanced Query".

Below the search bar, a "Results" section is visible. It includes buttons for "Highlight", "Clear Highlight", and "Export...". A table displays the search results:

Score	Address
100	408 SPAULDING RD, 28752

A large green arrow points upwards from the bottom of the page towards the highlighted result row in the table.

Find your parcel, which will be marked with a dot. Click on the dot.

This will outline your parcel and bring up a box. In that box at the top, it will show a listed parcel ID. This 12-digit number is your parcel number.
